Re: United States v. Quadae Berger, 22 Cr. 128 (VEC)

Your Honor:

With the consent of A.U.S.A. Madison Smyser, we respectfully request an adjournment of Mr. Berger's October 4, 2022 sentencing proceeding to a date in late November or December.

The reason for this request is that counsel needs additional time to obtain materials to include in Mr. Berger's sentencing submission. In addition, we have conferred with the Government and are working to resolve the pending violation of supervised release (17-cr-511) so that we can address both the instant case and the underlying violation of supervised release matter in our sentencing submission.

Thank you for your consideration of this request.

Sincerely,

[s]

Eric Franz

Cc: Madison Smyser
